NOTES

JOSH REAGAN - 11:24 PM 11-16-2020

Call when in for deliver, install, and haul away. This will need a cover plate of around 9" to fill the gap below the unit. We will send our installers out to survey and give a total price before the final install date. The standard install price has been included to the invoice. The additional work and cost of the cover plate will be paid directly to the installers on the day of final install.
