NOTES

JOSH REAGAN - 03:37 PM 07-10-2021

Installer will contact customer ASAP to set up a survey. Once the survey is complete, the balance can be paid and we will order the appliances. If anything doesn't work out, the customer will receive a full refund of the deposit, or the deposit can be applied towards a different product.

JOSH REAGAN - 03:40 PM 07-10-2021

Currently there is not a hood above the island. The customer does not want to use the downdraft in place, and prefers this flush mount ceiling hood. This install will need to be done from scratch. New ducting, new exterior cap, new electric, new framing. The customer prefers the cap on the side of the home, not through the roof.
