NOTES

MIKE ORLANDO - 10:06 AM 11-18-2021

The whirlpool fridge I cannot order whirlpool is not currently making that model, but the bosch fridge I listed does not have handles and is a highly rated counterdepth fridge. It does have water and ice inside on the interior wall and ice in the freezer. Or there is the kitchenaid model that is equivalent to the whirlpool but is back ordered as well. I can get the bosch fridge relatively quickly.
